

TYPAR® 3" FLEXIBLE FLASHING

MORE COMPACT. SAME BIG IMPACT.

In addition to the 6" x 75' and 9" x 75' rolls, TYPAR Flexible Flashing is now available in a 3" x 25' roll. Ideal for sealing and weatherproofing exterior through-wall penetrations, curved windows, and hard-to-reach areas, TYPAR 3in Flexible Flashing is now more conveniently sized and easier to handle. Designed for efficiency and ease of use, this compact solution ensures superior sealing and protection for your building projects. It's a highly durable solution for blocking air and moisture, specifically designed to flash smaller, non-flanged exterior through-wall penetrations or openings for electrical, HVAC, plumbing, and other system installations.

LEADING FEATURES AND BENEFITS:

- Extremely rugged, yet easily conformable
- Ensures tight seal around curved windows, window flanges, sill plates, corners, and joists
- Improves air and moisture holdout
- Self-seals around nail penetrations
- Lifetime limited warranty**

INSTALL THE SYSTEM. GET A LIFETIME LIMITED WARRANTY.

TYPAR Flexible Flashing, building wraps and construction tape make up the complete TYPAR® Weather Protection System. It's the only lineup with superior air and water holdout, unrivalled tear strength, optimal breathability, and this: lifetime limited warranty coverage.*
