Our lineup is comprehensive, with high-performance wraps, rugged flashings, and strong tape. Each is purpose-built not just to withstand the unforgiving elements, but to work together in beating the competition, hands-down.

Need more backup? We've been in Canada for decades, proving our mettle. We've gone so far as to secure stringent CCMC approval for our Construction Tape, meaning you've got some unmatched full-system options. Whether you're looking for the ultimate in superiority (and the only lifetime limited warranty* around), or cost-effective defense that still outrivals the contenders, it's yours with TYPAR.
